

LEADER EVOLUTION PROGRAM

Mid-Senior Leaders

3 Days Over 4 Weeks

From \$3,090 + GST

Leader Evolution is a practical, 3-day leadership intensive for mid-senior level leaders who are tackling a complex workplace challenge where technical solutions are not working or relevant, and an adaptive approach is needed.

Applying an adaptive leadership framework, learn to influence across diverse teams and stakeholders, reframe problems to make progress, and adopt an experimental and growth mindset to expand your leadership capability.

WHO SHOULD ATTEND?

- Leaders dealing with complexity and/or facing a stubborn problem
- Leaders who need time out to reflect and focus on a major challenge
- Leaders driving cultural and systemic change
- Leaders working across organisations, with dispersed teams or with multiple stakeholders

THE PROGRAM CHALLENGED THE WAY I THINK. I LEFT ARMED WITH THE TOOLS REQUIRED TO LEAD WITH INFLUENCE AND FEEL CONFIDENT. I CAN NOW POSITIVELY IMPACT THE ORGANISATION AS WE RESHAPE OUR STRATEGIC APPROACH.

PARTICIPANTS LEARN TO:

- View challenges differently and approach problems innovatively
- Overcome your own and others' default behaviours and patterns of thinking in dealing with issues and challenges
- Lead with conviction and mobilise others to successfully deliver outcomes
- Have the confidence to experiment more, and create the space for others to trial new ideas and approaches
- Close the gap between current organisational situation and organisational aspirations

LEADER EVOLUTION PROGRAM

PROGRAM INCLUSIONS

- A practical set of tools and strategies to apply to personal, team and organisational challenges
- An adaptive leadership framework with 5 leadership principles and 4 core competencies – an innovative approach to problem solving
- Methodologies including Case-in-Point and Peer Case Consultation Process to progress workplace challenges
- Tools that can be used on future challenges: faction map, empathy map and framework for diagnosis
- Strategies to manage self and sustain performance in the workplace
